

**Website/NCIR Blurb for Webinar:**

A NCIR Refresher webinar for Immunizing Pharmacists is scheduled to occur on Wednesday, **June 10, 2015** from **12:00 to 1:30 pm**. The webinar will provide pharmacists with information on documenting immunizations, activating and deactivating users, searching for patients, and resolving access issues. Pharmacy users will also have the opportunity to ask any questions they may have about how to utilize the NCIR system.
